RE: Transfer of reverted feed bill appropriations to the
Legislative Branch Information Technology Reserve

DATE: June 24,2011

The remaining balance of appropriations for the operation of the 61st Legislature during the 2009 session and the interim that followed will revert June 30, 2011.

Section 17-7-303 (4) (ii) reads:

"After the end of a biennium, any portion of the unexpended and unencumbered money appropriated for the operation of the preceding legislature in a separate appropriation act may be deposited in the account established in 5-11-407. The approving authority shall determine the portion of the unexpended and unencumbered money that is deposited in the account."

In accordance with the statute, I am requesting the approving authorities to determine what portion of the unexpended 2009 feed bill to transfer to the Legislative Branch IT reserve.
